## Where is the Economy?

Of buying cheap paints.

Ever have a cheap job of painting done on your house and find the paint rubbing off as soon as dry and looking worse after six months than if it hadn't been put on?

Whoever did the job used cheap paints. There are five good paints that you can specify for the particular purpose required. They are all perfectly reliable and first-class, yet the prices are very low.

Pure Prepared Paint  
Rubber Cement Floor Paint  
Barn and Roof Paint  
Climax Carriage Colors  
Durable Wagon and Implement Paint.

## TALES MEN ARE CALLED

To Make Up Jury  
In Liquor  
Case.

Gross Alimony Allowed  
Mrs. Juen in Sum  
of \$1250.

A Heavy Mortgage Foreclosure  
Against W. C. Achi—Probate Matters.

After a few challenges had been exercised in empanelling a jury for the trial of A. F. Franca, charged with selling liquor without a license, the panel was exhausted. Judge Gear suggested calling talesmen from among the bystanders, and when an attempt at this course had apparently failed he was about ordering a special venire from the regular jury list. The lawyers did not relish the prospect of delay and with another effort Bailiff Ellis managed to land Prince David and Capt. Black in the box, where they stayed to fill the last two vacancies produced by challenges.

As finally accepted the jury was composed of J. A. M. Johnson, H. P. Roth, H. A. Parmelee, David Kawanakoa, Jas. H. Black, J. J. Dias, J. A. Lawe-lawe, John C. Lane, James Brown, J. H. Craig, G. D. Mahone and Henry Carl.

M. F. Prosser represented the Territory, and J. J. Dunne the defendant. A motion by Mr. Dunne to strike out all of the testimony of Harry W. Flint, a police officer, hung up the trial some time after 4 o'clock. Judge Gear continued the case until 10 o'clock this morning, when he may be expected to give a ruling on the motion.

### GRAND JURY REPORT.

The grand jury came into court before Judge Gear yesterday morning and presented seventeen bills of indictment. Most of them went on the secret file, pending the arrest of the accused. Those already in custody and arrested before the court adjourned for the day were: E. Geneau, indicted for murder in the first degree; Thomas Larkin and J. Borges, burglary in the first degree; Fujimoto, burglary in the first degree; Pang Chow, assault and battery. Geneau is charged with murdering Ulysses Harris.

### FIXING A BOND.

Pang Chow's alleged offense includes an attempt to commit another crime, and the maximum penalty is a fine of \$1000 or five years' imprisonment. A. G. M. Robertson appeared for him and asked to have bail fixed. Judge Gear made it \$1000 and when a brother of the defendant came forward as surety and both testified as to their property.

### DONE BY TRYING.

Nobody can tell what he can do till he tries. When a thing ought to be done the modern spirit moves us to keep working away at it until it is done. In the face of this idea the "impossible" vanishes. Where there's a will, there's a way. "If we could but rob cod liver oil of its sickening taste and smell and then combine it with two or three other ingredients we should possess the best remedy in the world for certain diseases that are now practically incurable." So said a famous English physician twenty-five years ago. "But it will never be done," he added. "You can no more turn cod liver oil into a palatable medicine, than you can turn the Codfish itself into a Bird of Paradise." Yet he lived to admit that in WAMPOL'S PREPARATION the "impossible" had been accomplished. It is palatable as honey and contains all the nutritive and curative properties of Pure Cod Liver Oil, extracted by us from fresh cod livers, combined with the Compound Syrup of Hypophosphites, Extracts of Malt and Wild Cherry. This remedy is freed from the bad peculiarities Dr. Frothingham so detested, and it is precisely the splendid medicine he wished for. Use it freely and confidently for Hysteria, Wasting Complaints, Anemia, Blood Impurities, Asthma, and Throat and Lung Troubles. Dr. W. H. B. Aikins, Physician to Toronto General Hospital, says: "I am much pleased to state that the results from using Wampole's Preparation of Cod Liver Oil have been uniformly satisfactory; it appealed to me as being prepared according to correct scientific principles." It increases the appetite and influences the digestion of food; it is delicious to take, will not disappoint you, and is effective from the first dose. One bottle convinces. At all chemists.

Mrs. Weisslitz, president of the German Womans' Club of Buffalo, N. Y., after doctoring for two years, was finally cured of her kidney trouble by the use of Lydia E. Pinkham's Vegetable Compound.

Of all the diseases known with which the female organism is afflicted, kidney disease is the most fatal. In fact, unless prompt and correct treatment is applied, the weary patient seldom survives.

Being fully aware of this, Mrs. Pinkham, early in her career, gave careful study to the subject, and in producing her great remedy for woman's ills—Lydia E. Pinkham's Vegetable Compound—made sure that it contained the correct combination of herbs which was certain to control that dreaded disease, woman's kidney troubles. The Vegetable Compound acts in harmony with the laws that govern the entire female system, and while there are many so called remedies for kidney troubles, Lydia E. Pinkham's Vegetable Compound is the only one especially prepared for women.

### Read What Mrs. Weisslitz Says.

"DEAR MRS. PINKHAM:—For two years my life was simply a burden, I suffered so with female troubles, and pains across my back and loins. The doctor told me that I had kidney troubles and prescribed for me. For three months I took his medicines, but grew steadily worse. My husband then advised me to try Lydia E. Pinkham's Vegetable Compound, and brought home a bottle. It is the greatest blessing ever brought to our home. Within three months I was a changed woman. My pain had disappeared, my complexion became clear, my eyes bright, and my entire system in good shape."—MRS. PAULA WEISSLITZ, 176 Seneca St., Buffalo, N. Y.

Proof that Kidney Trouble can be Cured by Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I feel very thankful to you for the good your medicine has done me. I had doctoring for years and was steadily growing worse. I had trouble with my kidneys, and two doctors told me I had Bright's disease; also had falling of the womb, and could not walk a block at a time. My back and head ached all the time, and I was so nervous I could not sleep; had hysteria and fainting spells, was tired all the time, had such a pain in my left side that I could hardly stand at times without putting my foot on something.

"I doctoring with several good doctors, but they did not help me any. I took, in all, twelve bottles of Lydia E. Pinkham's Vegetable Compound, five boxes of Liver Pills, and used three packages of Sanative Wash, and feel like a new woman, can eat and sleep well, do all my own work, and can walk two miles without feeling over tired. The doctors tell me that my kidneys are all right now. I am so happy to be well, and I feel that I owe it all to your medicine."—MRS. OPAL STRONG, Dalton, Mass.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address Lynn, Mass.

the court would not take their word for it, but stated that if the High Sheriff or the Deputy High Sheriff said the men were good for it he would accept them. As the defendant's counsel was leaving the court room he was informed by the court that two bondsmen would be required, and he at once offered W. F. Heilbron, manager of the Island Market Co., the employer of the defendant.

### SENTENCES.

Chew it, convicted last week of having lottery tickets in his possession, was sentenced to be imprisoned at hard labor for thirty days. The court made remarks to the effect that, although gambling was openly conducted in Honolulu every day, there was no reason why one convicted of the offense should not be sentenced. The prisoner's daughter had pleaded for him, but the court was informed he had been engaged in gambling for fifteen years. Yet the court took the man's age into consideration in giving a short sentence.

Ho Sol, the Japanese found guilty of receiving stolen goods from a gang of Portuguese thieves, was sentenced by Judge Gear to six months at hard labor and to pay a fine of \$50.

Kukuda, pleading guilty to receiving stolen goods, was sentenced to imprisonment of two days and to pay a fine of \$25.

### LARGE FORECLOSURE DECREE.

Judge Robinson yesterday signed a decree of H. Hackfeld & Co., Ltd., vs. W. C. Achi, Kapilani Estate, Ltd., W. R. Castle and J. M. Monsarrat. M. T. Simonton is appointed as commissioner to sell the property described in the mortgage. The mortgage debt is \$35,428.79 and the property consists of ranch lands, stock, etc., in South Kona, Hawaii.

### WHAT JUEN MUST PAY.

Judge De Bolt yesterday afternoon rendered judgment in the Juen divorce case. Esther P. Juen is granted a divorce against Harry A. Juen, who is ordered to restore to Mrs. Juen the purse containing her jewelry with \$5.40 in money. The libellant is also condemned to pay the libellant \$1250 alimony in gross and a counsel fee of \$250. H. E. Cooper appeared for libellant, and A. G. M. Robertson for libellee.

himself in Hawaii and California. To his wife he had given but a bare living. She was allowed \$15 a week for all their living expenses, excepting that he paid the grocery bill. When they moved into her own house with no rent to pay, Juen took occasion to cut his wife's allowance down to a smaller figure than before. Mr. Cooper argued that money Juen made in speculation was wholly due to the proceeds of his wife's fortune.

### PROBATE MATTERS.

The final accounts of Virginia Gomes, executrix of the will of Francisco Gomes Capicha, were approved by Judge Robinson.

Mrs. Flora J. Center's accounts of the guardianship of her minor children were approved by Judge Robinson. The guardian received but \$693 as income, so was compelled to draw \$1400.27 from the principal of the estate for the support and education of all of the children. In asking for the court's approval she said it was impossible, owing to the small value of the estate and the nonpayment of dividends by the plantations in which stock was owned, to have sufficient money with which to support, maintain and educate the children. Two of the children are now of age, leaving four under guardianship.

H. H. Williams, administrator of the estate of Clara Schneider, had his accounts balancing at \$72.76 approved by Judge Robinson; also, his accounts as administrator of the estate of H. F. Gibbs, balancing at \$321. Both of these cases have been in probate more than two years, the late F. T. Merry having been the first administrator.

George A. Davis, attorney for defendant, has filed a motion to set aside the verdict in the case of Cecil Brown vs. Kate Braymer.

A general denial is filed by defendants in the case of Jose Ferreira Durao vs. Jose D. Marques and J. S. Ramos, co-partners doing business as the Luso Publishing Co. Henry Smith has been appointed by Judge Robinson as administrator of the estate of Kekie Amara, deceased, under \$300 bond.
